## **November 2018**

Firstly I would like to take this opportunity to let you know that I'm moving away from Overton and surrounding areas to cover the Tadley and Bramley area. Your new contact will be PCSO Andy Jones ([Andrew.jones.13301@hampshire.pnn.police.uk](mailto:Andrew.jones.13301@hampshire.pnn.police.uk)) who has a wealth of experience and is looking forward to taking over. I have really enjoyed working in the Overton area over the last few years and I'm very sad to leave but I'm equally looking forward to the new challenge that awaits me.

Please remember our team mailbox is [Basingstoke.Rural.Mailbox@hampshire.pnn.police.uk](mailto:Basingstoke.Rural.Mailbox@hampshire.pnn.police.uk). The team box is monitored every day, where as individual officer mailboxes will not be monitored if that officer is away from work.

Please remember you can now report crimes online by using the Online Reporting from on the Hampshire Police website <https://www.hampshire.police.uk/ro/report/ocr/how-to-report-a-crime/> or by calling 101. Please do not report crimes to the team mailbox. Don't forget the crime prevention advice I have given you over the years, especially at this time of the year. Look your doors and keep valuables out of view. When you are out, make the property look like it is occupied.

Please find below the latest news summary of some of the crimes which has occurred last month. In the month of November there was 16 incidents which have been classified as crimes by the home office.
